

Have your say on how Woodcote Parish Council should spend your money.

Coming through your letter boxes if you live within the Woodcote Parish is a leaflet with information about a CONSULTATION the Parish Council are running. This is a consultation to help Woodcote Parish Council make decisions on new projects it should pursue, based on what residents of the parish think. The survey is open to all those living or working in Woodcote.

In summary the Parish Council could have a total of around £355,000 over the next 5 to 10 years, received from the CIL (Community Infrastructure Levy) due from developments and from money held in Parish Council reserves.

Woodcote Parish Council wish to spend that money to enhance the amenities of the village. You are asked to give your views on the use of the £355,000. You will also be asked your views on the future of Woodcote Village Hall as there are some big decisions the Parish Council have to make regarding it's future and necessary works.

The consultation will run from Monday 9th May 2022, for 6 weeks, until Sunday 19th June 2022.

More information about the process and all the details of the possible projects are available on the Parish Council website or at a manned exhibition in Woodcote Village Hall on:

- Sunday 15th May - 10am – 12:30pm - Woodcote Village Hall Pavilion
- Thursday 26th May - 7:30pm – 9pm - Woodcote Village Hall Function Room
- Saturday 11th June - 2pm – 4pm - Woodcote Village Hall Pavilion

Once you've looked at the project information (either at one of the exhibition drop in's noted above or on the Parish Council website), the survey can be filled in online using the link on the website.

Hold your phone or ipad camera over the QR code below to take you directly to the webpage with all the information.

Alternatively, paper copies of the survey will be available at the exhibition drop in's or at the locations noted in the leaflet that will be delivered to you. Completed surveys can be dropped off at The Parish Office Village Hall. Letterbox is on the Reading Road side of the building.

Finally, the survey asks you to think of any new projects that are not listed and that you believe would enhance the village. While not all projects will be within our power to carry out, funding may limit or may not be able to be implemented in this phase of projects, Woodcote Parish Council will consider all ideas.

So, don't miss your chance to have your say and please do take a look at the projects and complete the survey by midnight on Sunday 19th June 2022.

Thank you.

Woodcote Parish Council
